Energy Harbor is licensed by the Maryland Public Service Commission ("MD PSC") to offer and supply electric generation services in Maryland. As a Competitive Electric supplier ("Supplier"), Energy Harbor will supply the electric generation to your Utility based on your usage. Your Utility then distributes or delivers the electricity to you. Energy Harbor sets the generation prices and charges that the customers pay. The MD PSC regulates distribution prices and services. The Federal Energy Regulatory Commission regulates transmission prices and services.

Right of Rescission: You have the right to rescind your enrollment not later than midnight on the date three (3) business days following the date on which you receive this Agreement and received the attached Notice of Cancellation. You may rescind your enrollment within that time period by mailing or delivering a signed and dated copy of the attached Cancellation Notice or any other written notice to Energy Harbor, Attn: Contract Administration, 168 East Market Street, Akron, OH 44308. The Right of Rescission only applies when a customer switches to a Supplier and not on renewal enrollments.

Eligibility: Only eligible residential customer accounts may enroll in this offer from Energy Harbor. Energy Harbor reserves the right to refuse enrollment to any customer with an outstanding balance.

Prices: During the term of this Agreement, you agree to pay Energy Harbor a fixed price for combined electric generation and related charges, specified in the table above. Your Utility's Price to Compare ("PTC") consists of bypassable transmission, generation and transmission and generation related components, which are charges associated with the costs of purchased power and the cost to deliver the power through the transmission system. These are the charges that you would avoid for that billing period when you switch to Energy Harbor. In addition to Energy Harbor's charges, you will be charged by your Utility for distribution and various other charges.

Length of Agreement: Your service from Energy Harbor will commence with the next available meter reading following the applicable three (3) business day rescission period, the acceptance of the enrollment request by Energy Harbor, and the processing of the enrollment by your Utility. Your service will continue for the length of service as specified in the table above. In the event that any change in any statute, rule, regulation, order, law, or tariff promulgated by any court, governmental authority, utility, Independent System Operator ("ISO"), Regional Transmission Organization ("RTO") or other service provider, or any change in operating procedure, alters to the detriment of Energy Harbor its costs to perform

under this Agreement, you may receive a notification from Energy Harbor. This notification will include a description of one or more of the situations described above. Energy Harbor may offer you new Terms and Conditions. You must indicate your affirmative consent to the new Terms and Conditions as specified in the notices. If you do not contact Energy Harbor to accept the new terms, this Agreement will terminate on the date specified in the notices, at least thirty (30) days following the date of the notice, and you will be returned to your Utility unless you select another Supplier. Alternatively, Energy Harbor may decide to terminate this Agreement, and you will receive at least thirty (30) days prior written notice of the termination, after which you may be returned to your Utility unless you select another Supplier. Whether Energy Harbor offers you new terms or terminates this Agreement under this provision, you will not be responsible for the cancellation/termination fee (if any) set forth in the table above. You must still pay all Energy Harbor charges through the date you are returned to your Utility or switched to another Supplier for service.

Billing: You will receive a consolidated bill monthly from your Utility for both your Energy Harbor and Utility charges. Energy Harbor does not offer budget billing. If you do not pay your bill by the due date, Energy Harbor may cancel this Agreement after giving you a minimum of thirty (30) days written notice. Upon cancellation you will be returned to your Utility unless you select another Supplier. You will remain responsible to pay Energy Harbor for any electricity used before this Agreement is cancelled, as well as any late payment and early termination charges. Energy Harbor reserves the right to convert you from consolidated billing to dual billing if such a conversion will facilitate more timely billing, collections, and/or payment. Furthermore, your failure to pay Utility charges may result in your electric service being disconnected in accordance with the Utility tariff. All applicable taxes shall be listed separately on the monthly bill statement in accordance with the state and local tax law.

Penalties, Fees and Exceptions: Your Utility may charge you switching fees. Energy Harbor may assess a late payment fee if your bill has been outstanding for 20 days or more. Energy Harbor may charge an initial amount of up to 1.5 percent of the net bill and assess a late payment charge of up to 1.5 percent of any portion of the original amount which remains unpaid for the first month thereafter and then a late payment charge of up to 2 percent of any portion of the original amount which remains unpaid for each month thereafter, for an aggregate late charge not to exceed 5 percent of the original unpaid amount.

Cancellation/Termination Provisions: If this Agreement is not rescinded during the rescission period, enrollment will be sent to your Utility. There may be a cancellation/termination fee indicated in the table above if you terminate this Agreement for any other reason, except as expressly provided herein. Energy Harbor in its sole and absolute discretion, without any cause, may terminate this Agreement upon providing you with thirty (30) days' written notice. In the event the program is terminated, you will be returned to your Utility.

Customer Consent and Information Release Authorization: By choosing to accept this offer from Energy Harbor, you understand and agree to the terms and conditions of this Agreement with Energy Harbor. You authorize Energy Harbor to obtain information from the Utility that includes, but is not limited to: billing history, payment history, historical and future electricity usage, meter readings, and characteristics of electricity service. Energy Harbor reserves the right to determine if your credit standing is satisfactory before accepting your enrollment request. This Agreement shall be considered executed by Energy Harbor following acceptance of your enrollment request by Energy Harbor, the end of the three (3) business day rescission period, and subsequent acceptance of the enrollment by your Utility.

You agree to be responsible for any charges you may receive on that number, including standard telephone, SMS or text message fees. You may revoke this express consent at any time by calling us at 1-888-254-6359. Such revocation has no bearing on your ability to contract with Energy Harbor.

Contract Expiration / Automatic Renewal: At the end of its term, this Agreement will expire, or at Energy Harbor's option, automatically renew for a term less than or equal to its initial term unless you affirmatively cancel the Agreement. If this is a renewal Agreement and you do not affirmatively cancel as outlined in your notice of renewal, then you will automatically renew with Energy Harbor as outlined in your notice of renewal. You will be notified by Energy Harbor at least forty-five (45) calendar days prior to the automatic renewal. The notice of renewal shall include any changes in the material terms and conditions of the Agreement, including price; information regarding how you can terminate the Agreement without the penalty; and information regarding how to access your rate for the next billing cycle.
